

FOUNDATION IN LAW ENFORCEMENT

2024 INTAKE

(N/0032/3/004) (12/27) (MQA/PA 16155)

PROGRAMME OVERVIEW

The Foundation in Law Enforcement is a pre-university programme designed to enhance the study and learning skills essential for undergraduate studies, particularly targeting success in the investigation and law enforcement industry. The aim of the program is to empower students with a comprehensive understanding of the concepts, theories, and principles essential to law enforcement. It seeks to ensure that students not only demonstrate basic knowledge of law enforcement functions and activities but also develop the ability to source and process data effectively using appropriate digital and technological tools within relevant contexts.

Overall, the program prepares students for further research and professional growth by providing a strong foundation in adaptability and specialised expertise, facilitating a seamless transition to degree-level studies and beyond in related fields.
