

2024 INTAKE

FOUNDATION IN ARTS

(N/001/3/0011) (12/27) (MQA/PA16154)

PROGRAMME OVERVIEW

The Foundation in Arts program at ELMU is a pre-university programme, designed to equip students with both theoretical and practical foundations, preparing them for undergraduate studies. Upon successful completion of the program and fulfilling all entry requirements of the university, students qualify for admission into undergraduate programs. Through a mix of theoretical and practical learning, students will acquire fundamental knowledge and will be able to develop essential skills such as critical thinking, research and academic writing, problem-solving, learning and communication which are crucial for a successful transition to undergraduate studies.

Overall, this program offers a stimulating, multidisciplinary educational environment that exposes students to a wide range of fields, providing them with diverse educational options for the future.
